SPEECH!

Speech is one of our most precious abilities as humans. Traveling in a foreign country or visiting a neighborhood where one does not speak the language quickly shows us how much we miss out on when we cannot communicate with others. As with all precious gifts, however, there is the possibility of misusing this ability. This week take some time to reflect on how you use speech in your daily life. Perhaps your Lenten practice could include fasting from speech that tears others down, and bestowing words that uplift as a way of giving alms. Copyright, *Living Liturgy 2019*

Come Holy Spirit & Renew the Face of the Earth!
