BREAKING BREAD TOGETHER!

The challenging questions continue. How do we encounter this risen Christ? Where do we find him? Our search is no different from our early Christian brothers and sisters. When they broke bread together in the Eucharist, they realized that he was there. By participating in this holy meal as members of a believing community, we experience that same presence among us. We learn about the power of being with one another in the simplest gestures of life. What could be more universal than breaking bread together—whether at an altar or an ordinary table?
