## KNOWING WHAT TO DO!

We may think that those close to Jesus knew exactly what to do when he was no longer physically with them. They didn't. They saw how he had suffered, and they were afraid. We do not always know what to do either. Experiencing misgivings about the challenges of living as 21<sup>st</sup> century disciples may be a sign that we're on the right track. *Copyright, Celebration 2017*
