GOD IS SHOWN TO US IN MANY FACES!

Throughout the centuries, the concept of the Trinity has been a challenge to understand. In fact, the church struggled with the idea of one God in three persons for some time in its history. We may not entirely grasp the theology, but we can understand the single, clear message revealed in the Hebrew Scriptures and the Gospels. We are deeply loved and encountered by a God who is with us and is shown to us in many way and through many faces. As we live out this reality, we are called to share it with one another. *Copyright, Celebration 2017*
