GOD'S DREAM FOR THE WORLD

God's dream for the world is one of ultimate communion, where both the vertical aspect of the covenant with God and the horizontal aspect of the covenant with other human beings are kept faithfully. How do you strive to build healthy relations with those who are different from you?

Town of Chester Senior Center: Is doing a Town Survey in which they are reaching out to those who do not often leave their homes. We invite you to take it home, fill it out and return to the church. We will give it back to the Town of Chester. One of the possibilities is to provide transportation, a bus once a month, to residents that could benefit from this service. They would bring you to the senior center for an activity. There is a calendar with current activities already taking place.
